

Happy Birthday

A Round in Three Parts

With a light, happy motion

Hap- py birth-day, hap- py birth-day, Many, many happy re-

-turns; Hap- py birth-day, hap- py birth-day

Sun and moon and stars re- joice Upon your birthday, upon your

birth-day, While we join hands in a ring and sing:

Wir gratulieren

Moritz Hauptmann
(1792-1868)
